All Medicaid Transportation Providers

Alert – 6/1/2015 – Trip Attestation and Claims Processing

Attention Transportation Vendors:

Effective July 1, 2015, for all categories of service, the Department of Health (DOH) will require the following information via both the attestation and claims processes:

- **Driver License number (of the driver who provided each leg of the transport); and**
- **Vehicle Plate number (for each vehicle having been used to provide each leg of the transport).**

This data allows the DOH to track data and enhance quality control measures established by the DOH. ModivCare staff will guide you through the process as necessary.

Please be reminded that the Department has directed that all trips be attested to within 30 days of the scheduled trip.

If you have any questions concerning the attestation process, please call ModivCare at (877) 564-5911.

Nassau and Suffolk based providers should contact ModivCare at (844) 678-1105.
